C. SIF General Terms and Conditions, Section III.M.2 Added" Publications created or developed by staff funded under the award must be consistent with the purposes of the grant. CNCS's logo may be included on such documents. This material is based upon work supported by the Corporation for National and Community Service (CNCS) under Social Innovation Fund Grant No._____. Pursuant to 2 C.F.R. 200.308(d)(2)(i), CNCS specifically prohibits SIF Classic and SIF Pay for Success grantees from initiating a one-time extension of the performance periods of their grant awards and will not approve any requests for an extension of the performance period of the SIF Classic and SIF Pay for Success grants.

E. SIF General Terms and Conditions, Section III.E.4 Added "Pursuant to the National Defense Authorization Acts for both Fiscal Years 2017 and 2018, effective June 20, 2018 and thereafter, all CNCS grant recipients are authorized to use a micro-purchase threshold of \$10,000 and a simplified acquisition threshold of \$250,000."

II. GOVERNING AUTHORITIES

A. LEGISLATIVE AND REGULATORY AUTHORITY

This award is authorized by and subject to The National and Community Service Act of 1990, as amended, (42 U.S.C. 12501 *et seq.*) (NCSA) and/or the Domestic Volunteer Service Act of 1973, as amended, (42 USC 4950 *et seq.*) (DVSA), the Federal Grant and Cooperative Agreement Act (FGCAA), 31 USC §§6301-6308, and CNCS's implementing regulations in 45 CFR Chapter XII

and/or XXV. Recipients must comply with the requirements of the NCSA and/or DVSA, as applicable, and CNCS's implementing regulations.

B. OTHER APPLICABLE TERMS AND CONDITIONS

This award is subject to the uniform administrative requirements, cost principles, and audit requirements for Federal awards located at 2 CFR Part 200 and CNCS's implementing regulations at 2 CFR Part 2205. Awardees must read and understand these requirements because they are responsible for implementing all of them.

The recipient must comply with all other applicable statutes, executive orders, regulations, and policies governing the award, including, but not limited to, 2 CFR Chapter I, those cited in these Grant Terms and Conditions and program specific terms and conditions, and the Grant Assurances and Certifications.

In addition to the applicable statutes and regulations referred to above, the recipient must perform its grant or cooperative agreement consistent with the requirements stated in:

1. The Notice of Grant Award and Signature Page;
2. These General Grant and Cooperative Agreement Terms and Conditions;
3. The Program Specific Terms and Conditions;
4. The Notice of Federal Funding Availability;
5. The recipient's approved application (including the final approved budget, attachments, and pre-award negotiations);
6. Grant Certification and Assurances found.

C. ORDER OF PRECEDENCE

Any inconsistency in the authorities governing the Award shall be resolved by giving precedence in the following order (a) applicable Federal statutes, (b) applicable Federal regulations, (c) Notice of Grant Award and Signature Page; (d) CNCS Program Specific Terms and Conditions, (d) CNCS General Terms and Conditions, (e) the Notice of Funding Opportunity, and (f) the approved Grant Application including all assurances, certifications, attachments, and pre-award negotiations.

III. GENERAL TERMS AND CONDITIONS

A. RESPONSIBILITIES UNDER AWARD ADMINISTRATION

1. **Accountability of the Recipient.** The recipient has full fiscal and programmatic responsibility for managing all aspects of the award and award-supported activities, subject to the oversight of CNCS. The recipient is accountable to CNCS for its operation of the program and the use of CNCS award funds. The recipient must expend award funds in a judicious and reasonable manner, and it must record accurately the service activities and outcomes achieved under the award. Although recipients are encouraged to seek the advice and opinion of CNCS on special problems that may arise, such advice does not diminish the

recipient's responsibility for making sound judgments and does not shift the responsibility for operating decisions to CNCS.

2. **Subawards.** If authorized by CNCS, a recipient may make subawards in accordance with the requirements set forth in 2 CFR Parts 200 and 2205. The recipient must have and implement a plan for oversight and monitoring that complies with the requirements applicable to pass through entities identified at 2 CFR §200.331 to ensure that each subrecipient has agreed to comply, and is complying, with award requirements.

A recipient of a Federal award that is a pass-through entity has certain obligations to its subrecipients. Those requirements are located at 2 CFR § 200.331 and include, but are not limited to, the following:

(1) clearly identify the subaward to the subrecipient as a subaward, and provide the information identified at 2 CFR §200.331(a)(1)-(6); (2) evaluate subrecipients' risk of noncompliance in order to determine appropriate subrecipient monitoring; (3) impose specific conditions on subawards if appropriate in accordance with 2 CFR §200.207; (4) monitor subrecipient activities and compliance, which specifically includes those monitoring activities identified at 2 CFR §200.331(d)(1)-(3); (5) utilize monitoring tools identified at 2 CFR §200.331(e)(1)-(3) if appropriate based on subrecipient risk; (6) ensure subrecipients have single or program-specific audits when required under 2 CFR Part 200 Subpart F; (7) where necessary, adjust its own records and financial statements based on audits; and (8) if appropriate, take enforcement action against noncompliant subrecipients in accordance with 2 CFR §200.338.

3. **Notice to CNCS.** The recipient will notify the appropriate CNCS Program or Grants Officer immediately of any developments or delays that have a significant impact on funded activities, any significant problems relating to the administrative or financial aspects of the award, or any suspected misconduct or malfeasance related to the award or recipient. The recipient will inform the CNCS program officer about the corrective action taken or contemplated by the recipient and any assistance needed to resolve the situation.

B. FINANCIAL MANAGEMENT STANDARDS

1. **General.** The recipient must maintain financial management systems which must comply with 2 C.F.R. 200.302(b). The recipient's financial management systems must be capable of distinguishing expenditures attributable to this award from expenditures not attributable to this award. The systems must be able to identify costs by program year and by budget category, and to differentiate between direct and indirect costs. For all recipient's financial management requirements and responsibilities, refer to Subparts D and E of 2 CFR Part 200 and CNCS's implementing regulation at 2 CFR Part 2205.
2. **Allowability of Costs.** To be allowable under an award, costs must meet the criteria of 2 CFR 200.403, which provides that costs must be necessary and reasonable for the performance of the award, must conform to limitations in the award or 2 CFR Part 200 as to types or amounts of cost items, must be consistent with policies and procedures that apply

uniformly to both federally financed and other activities of the recipient, must be adequately documented, and must not be included as a cost or used to meet cost share or matching requirements of any other federally-financed program. Furthermore, the costs must be accorded consistent treatment in like circumstances as either direct or indirect costs in order to avoid the double-charging of Federal awards (see 2 CFR §200.403(d) and §200.412).

3. **Audits.** Recipient organizations that expend \$750,000 or more in total federal awards in a fiscal year shall have a single or program-specific audit conducted for that year in accordance with the Single Audit Act, as amended, 31 U.S.C. 7501, et seq., and 2 CFR Part 200, Subpart F. If the recipient expends federal awards under only one federal program, it may elect to have a program specific audit, if it is otherwise eligible. A recipient that does not expend \$750,000 in Federal awards is exempt from the audit requirements for that year. However, it must continue to conduct financial management reviews of its subrecipients, and its records and its subrecipients' records must be available for review and audit in accordance with 2 CFR §§200.333-200.337 and §200.331(a)(5). Additionally, a recipient acting as a pass-through entity must issue management decisions for audit findings pertaining to the Federal award provided to the subrecipient as required by 2 C.F.R. § 200.521 and ensure follow-up on audit findings in a timely manner to ensure that the subrecipient corrects any deficiencies identified in the audit.
4. **Indirect Cost Rates.** Indirect cost rate requirements are located at 2 CFR § 200.414 and 2 CFR Part 2205. Reimbursement for indirect costs, general and administrative costs, overhead, or any similar cost rate type agreement, will be at the rate(s) and on the base(s) specified in the approved award budget. These amounts are subject to finalization by the cognizant federal agency for indirect costs, which may be CNCS. Any provisional rate(s) is subject to downward adjustment only under this award. Accordingly, final approved rate(s) charged to this award may not exceed the maximum provisional rate(s). If the cognizant federal agency does not approve a final rate, then the maximum provisional rate will be considered the final rate.
5. **Payments under the Award.** Payments under this award are subject to 2 CFR § 200.305. Recipients access funds through the Payment Management System and can draw down funds as they need them. However, recipients must ensure they are following the requirements at 2 CFR § 200.305 which limits funds drawn down to amounts needed to meet immediate cash needs. Pass-through entities must follow 2 CFR § 200.305 requirements for their subrecipients.

For non-Federal entities other than states:

- a. **Advance Payments.** The recipient or subrecipient will receive advance payments of award funds provided the recipient meets the financial management standards specified in 2 CFR §200.302.

- b. **Immediate Cash Flow Needs.** The amount of advance payments requested by the recipient must be based on actual and immediate cash needs in order to minimize federal cash on hand, in accordance with policies established by the U.S. Department of the Treasury in 31 CFR Part 208.
- c. **Discontinuing Advance Payments.** If a recipient or subrecipient does not minimize the time elapsing between the receipt of the cash advance and its disbursement, CNCS may, after providing due notice to the recipient, discontinue the advance payment method and allow payments by reimbursement.
- d. **Interest-Bearing Accounts.** The recipient or subrecipient must deposit advance funds received from CNCS in federally-insured, interest bearing accounts. The exceptions to this requirement are:
 - i. the non-federal entity receives less than \$120,000 in federal awards per year;
 - ii. The best reasonably available account would not be expected to earn interest in excess of \$500 per year on federal cash balances; or
 - iii. The required minimum balance is so high that it would not be feasible within expected federal and non-federal cash resources; or
 - iv. A foreign government or banking system prohibits or precludes interest bearing accounts.

Earned interest must be remitted annually to HHS-PMS, Rockville, MD 20852. Recipients may keep up to \$500 of interest per year to offset administrative expenses.

For states:

Payments are governed by Treasury-State CMIA agreements and default procedures codified at 31 CFR Part 205 and TFM 4A-2000 Overall Disbursing Rules for All Federal Agencies.

C. BUDGET AND PROGRAMMATIC CHANGES

All budget and programmatic changes must comply with 2 CFR §200.308 – Revision of budget and program plans. 2 CFR §200.407 Prior written approval (prior approval) – provides an exhaustive list of those other items requiring CNCS’s advance approval. CNCS does *not* waive any of the prior written approvals required under that section.

1. Programmatic Changes

The recipient must first obtain the prior written approval, as evidenced by a written award amendment, of the respective program office before making the following changes:

- a. Changes in the scope, objectives or goals of the recipient's program, whether or not they involve budgetary changes;
- b. Entering into subawards for activities funded by the grant or cooperative agreement which had not been previously identified or included in the approved application, budget or plan;
- c. Change in a key person specified in the application or the Federal award; and/or
- d. The disengagement from the project for more than three months, or a 25 percent reduction in time devoted to the project, by the approved project director.

2. Budgetary Changes

The Recipient must obtain the prior written approval of CNCS's Office of Grants Management before amending the approved budget in any of the following ways:

- a. Specific Costs Requiring Prior Approval before Incurrence under the Uniform Guidance and CNCS's implementing regulation (2 CFR Part 200 and Part 2205). For certain cost items, the Uniform Guidance requires approval of the awarding agency for the cost to be allowable. A list of these can be found at 2 CFR §200.407 – Prior written approval (prior approval).
- b. The transfer of funds budgeted to other categories of expenses from participant support costs, which are direct costs for items such as stipends or subsistence allowances, travel allowances, and registration fees paid to or on behalf of participants or trainees (but not employees) in connection with conferences, or training projects.
- c. Unless described in the application and funded in the approved Federal awards, the subawarding, transferring or contracting out of any work under this award that is not for supplies, material, equipment or general support services. This does not include the selection of subrecipients as required in these terms and conditions or any contracting previously identified in the budget, such as contracting for the required evaluation.
- d. Changes in the amount of approved cost-sharing or matching provided.
- e. For those awards where the Federal share exceeds the Simplified Acquisition Threshold (set by 48 C.F.R. Subpart 2.1), cumulative changes to budget line items that are expected to or do amount to 10 percent or more of the total budget, as last approved by CNCS, must be approved in writing in advance by CNCS. The total budget includes both CNCS and recipient shares. Recipients may transfer funds among approved direct cost categories when the cumulative amount of such transfers does not exceed 10 percent of the total budget. Currently, the Simplified Acquisition Threshold is \$150,000, but it is periodically adjusted for inflation. 48 C.F.R. Subpart 2.1 will have the current amount.

The recipient may also seek prior written approval on the allowability and allocability in advance of the incurrence of special or unusual costs under 2 C.F.R. §200.407. This prior written approval should include the timeframe or scope of the agreement.

3. No Cost Extensions

Congress has not appropriated funding for SIF since Fiscal Year 2016, and the last SIF awards were made in 2016. CNCS will allow SIF Classic and SIF Pay for Success grant and subgrant activities to continue, however, not past the approved performance periods established in the most recent Notice of Grant Award. Pursuant to 2 C.F.R. 200.308(d)(2)(i), CNCS specifically prohibits SIF Classic and SIF Pay for Success grantees from initiating a one-time extension of the performance periods of their grant awards and will not approve any requests for an extension of the performance period of the SIF Classic and SIF Pay for Success grants.

4. Micro-purchase and Simplified Acquisition Threshold:

Pursuant to the National Defense Authorization Acts for both Fiscal Years 2017 and 2018, effective June 20, 2018 and thereafter, all CNCS grant recipients are authorized to use a micro-purchase threshold of \$10,000 and a simplified acquisition threshold of \$250,000.

D. NOTIFICATION OF STAFFING AND MANAGEMENT CHANGES BEYOND KEY PERSONEL IDENTIFIED IN THE BUDGET

In addition to the required prior approval for changes in key personnel identified in the budget, the recipient must also notify CNCS of any changes in any positions which are not included in the approved budget, but which involve leadership oversight of the activity under this award. The recipient must also notify CNCS of any change in the senior leadership of the recipient.

E. PROHIBITED PROGRAM ACTIVITIES

The recipient must comply with, and require all subrecipients to comply with, the prohibitions on use of CNCS funds applicable to their program as identified in section 174 of the NCSA (42 U.S.C. §12634) and § 403 (Political Activities) of the DVSA (42 U.S.C. §5043). This includes providing religious instruction, conducting worship services or engaging in any form of proselytization; assisting, promoting, or deterring union organizing; financing, directly or indirectly, any activity designed to influence the outcome of an election to Federal office or the outcome of an election to State or local office. This also includes financing, directly or indirectly, any activity designed to influence the outcome of an election to Federal office or the outcome of an election to State or local office, or any voter registration activity, or to pay the salary of any officer or employee of CNCS who engages in such an activity in an official capacity.

In addition, the recipient must comply with, and require all subrecipients to comply with, the prohibitions on use of CNCS funds in § 403 (Political Activities) of the DVSA (42 U.S.C. §5043).

F. NATIONAL SERVICE CRIMINAL HISTORY CHECK REQUIREMENTS

The National Service Criminal History Check (NSCHC) is a screening procedure established by law to protect the beneficiaries of national service. The law requires recipients to conduct and document NSCHCs on any person (including award-funded staff, national service participant, or volunteer) receiving a salary, living allowance, stipend or education award through a program receiving CNCS funds. An individual is ineligible to serve in a position that receives such CNCS funding if the individual is registered, or required to be registered, as a sex offender or has been convicted of murder. The cost of conducting NSCHCs is an allowable expense under the award.

Unless CNCS has provided a recipient with a written exemption or written approval of an alternative search procedure, recipients must perform the following checks—

All award-funded staff, national service participants, and volunteers must undergo NSCHCs that include:

1. A nationwide name-based search of the National Sex Offender Public Website (NSOPW); and
2. Either:
 - A name- or fingerprint-based search of the statewide criminal history registry in the person’s state of residence and in the state where the person will serve/work, or
 - A fingerprint-based FBI criminal history check.

Special Rule for Persons Serving Vulnerable Populations. Award-funded staff, national service participants, and volunteers with recurring access to vulnerable populations (i.e., children age 17 or younger, individuals age 60 or older, or individuals with disabilities) must undergo NSCHCs that include:

1. A nationwide name-based check of the NSOPW; and
2. Both:
 - A name- or fingerprint-based search of the statewide criminal history registry in the person’s state of residence and in the state where the person will serve/work; and
 - A fingerprint-based FBI criminal history check.

See 45 C.F.R. § 2540.200–§ 2540.207 and <http://www.nationalservice.gov/resources/criminal-history-check> for complete information and FAQs.

You must retain adequate documentation that you completed the required NSCHC. Inability to demonstrate that you conducted a required criminal history check component, to include the NSOPW, as specified in the regulations, may result in sanctions, including disallowance of costs.

G. THE OFFICE OF INSPECTOR GENERAL

CNCS’s Office of Inspector General (OIG) conducts and supervises independent and objective audits, evaluations, and investigations of CNCS’s programs and operations. Based on the results of these audits, reviews, and investigations, the OIG recommends policies to promote economy and efficiency and to prevent and detect fraud, waste, and abuse in CNCS’s programs and operations.

The OIG conducts and supervises audits of CNCS recipients, as well as legislatively mandated audits and reviews. The legislatively mandated audits include the annual financial statement audit, and fulfilling the requirements of the Government Information Security Reform Act and its successor, the Federal Information Security Management Act. A risk-based approach, along with input received from CNCS management, is used to select recipients and awards for audit. The OIG hires audit firms to conduct some of its audits. The OIG audit staff is available to discuss its audit function, and can be reached at (202) 606-9390.

The OIG is available to offer assistance to CNCS recipients that become aware of suspected criminal activity or fraud, waste, and abuse in connection with the CNCS-funded program. The OIG investigative staff is available to provide guidance and ensure that the appropriate law enforcement agency is notified, if required. The OIG may be reached by email at hotline@cncsig.gov or by telephone at (800) 452-8210. Upon request, OIG will take appropriate measures to protect the identity of any individual who reports misconduct, as authorized by the Inspector General Act of 1978, as amended. Reports to OIG may also be made anonymously.

Recipients must cooperate fully with OIG inquiries by disclosing complete and accurate information pertaining to matters under investigation or review, and by not concealing information or obstructing audits, inspections, investigations, or other official inquiries.

H. REPORTING OF FRAUD, WASTE, AND ABUSE

Recipients must immediately contact the OIG and their program officer when they first suspect that:

1. A criminal violation has occurred (see 18 U.S.C. Part I for more information on criminal conduct. <http://www.gpo.gov/fdsys/pkg/USCODE-2012-title18/html/USCODE-2012-title18-partI.htm>), such as:
 - a. Criminal fraud.
 - b. Theft or embezzlement.
 - c. Forgery.
 - d. Corruption, bribery, kickbacks, or acceptance of illegal gratuities or extortion.
2. Actual or suspected fraud, waste, or abuse has occurred.
 - a. Fraud occurs when someone uses intentional misrepresentation or misleading omission to receive something of value or to deprive someone, including the government, of something of value.
 - b. Waste occurs when taxpayers do not receive reasonable value for their money in connection with a government-funded activity due to an inappropriate act or omission by people with control over or access to government resources.
 - c. Abuse is behavior that is deficient, objectively unreasonable, or improper under the circumstances. Abuse also includes the misuse of authority or position for personal financial gain or the gain of an immediate or close family member or business associate.

I. WHISTLEBLOWER PROTECTION

1. This award and employees working on this award will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239).
2. Under this pilot program, an employee of a recipient may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing information that the employee reasonably believes is evidence of gross mismanagement of a Federal contract or award, a gross waste of Federal funds, an abuse of authority (an arbitrary and capricious exercise of authority that is inconsistent with the mission of CNCS or the successful performance of a contract or award of CNCS) relating to a Federal contract or award, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or award.
3. The recipient shall inform its employees in writing, in the predominant language of the workforce or organization, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described above and at <http://www.cncsoig.gov/whistleblower-protection>.

J LIABILITY AND SAFETY ISSUES

The recipient must institute safeguards as necessary and appropriate to ensure the safety of members and volunteers. Members and volunteers may not participate in projects that pose undue safety risks.

K. SITE VISITS

CNCS reserves the right to make site visits to review and evaluate recipient records, accomplishments, organizational procedures and financial control systems, to conduct interviews, and to provide technical assistance as necessary.

L. NON-DISCRIMINATION PUBLIC NOTICE AND RECORDS COMPLIANCE

1. **Public Notice of Non-discrimination.** The recipient must notify members, community beneficiaries, applicants, program staff, and the public, including those with impaired vision or hearing, that it operates its program or activity subject to the non-discrimination requirements applicable to their program found at §§175 and 176(f) of the NCSA or §417 of the DVSA, and relevant program regulations found at 45 CFR Parts 2540 (AmeriCorps State and National), 2551 (Senior Companion Program), 2552 (Foster Grandparent Program), 2553 (RSVP), and 2556 (AmeriCorps VISTA). This material is based upon work supported by the Corporation for National and Community Service (CNCS) under Social Innovation Fund Grant No._____. Opinions or points of view expressed in this document are those of the authors and do not necessarily reflect the official position of, or a position that is endorsed by, CNCS.

III. ATTACHMENT

Grant Program Civil Rights and Non-Harassment Policy

The Corporation for National and Community Service (CNCS) has zero tolerance for the harassment of any individual or group of individuals for any reason. CNCS is committed to treating all persons with dignity and respect. CNCS prohibits all forms of discrimination based upon race, color, national origin, gender, age, religion, sexual orientation, disability, gender identity or expression, political affiliation, marital or parental status, or military service. All programs administered by, or receiving Federal financial assistance from CNCS, must be free from all forms of harassment. Whether in CNCS offices or campuses, in other service-related settings such as training sessions or service sites, or at service-related social events, such harassment is unacceptable. Any such harassment, if found, will result in immediate corrective action, up to and including removal or termination of any CNCS employee or volunteer. Recipients of Federal financial assistance, be they individuals, organizations, programs and/or projects are also subject to this zero tolerance policy. Where a violation is found, and subject to regulatory procedures, appropriate corrective action will be taken, up to and including termination of Federal financial assistance from all Federal sources.

Slurs and other verbal or physical conduct relating to an individual's gender, race, ethnicity, religion, sexual orientation or any other basis constitute harassment when it has the purpose or effect of interfering with service performance or creating an intimidating, hostile, or offensive service environment. Harassment includes, but is not limited to: explicit or implicit demands for sexual favors; pressure for dates; deliberate touching, leaning over, or cornering; offensive teasing, jokes, remarks, or questions; letters, phone calls, or distribution or display of offensive materials; offensive looks or gestures; gender, racial, ethnic, or religious baiting; physical assaults or other threatening behavior; or demeaning, debasing or abusive comments or actions that intimidate.

CNCS does not tolerate harassment by anyone including persons of the same or different races, sexes, religions, or ethnic origins; or from a CNCS employee or supervisor; a project, or site employee or supervisor; a non-employee (e.g., client); a co-worker or service member.

I expect supervisors and managers of CNCS programs and projects, when made aware of alleged harassment by employees, service participants, or other individuals, to immediately take swift and appropriate action. CNCS will not tolerate retaliation against a person who raises harassment concerns in good faith. Any CNCS employee who violates this policy will be subject to discipline, up to and including termination, and any grantee that permits harassment in violation of this policy will be subject to a finding of non-compliance and administrative procedures that may result in termination of Federal financial assistance from CNCS and all other Federal agencies.

Any person who believes that he or she has been discriminated against in violation of civil rights laws, regulations, or this policy, or in retaliation for opposition to discrimination or participation in discrimination complaint proceedings (e.g., as a complainant or witness) in any CNCS program or project, may raise his or her concerns with our Office of Civil Rights and Inclusiveness (OCRI). Discrimination claims not brought to the attention of OCRI within 45 days of their occurrence may not be accepted in a formal complaint of discrimination. No one can be required to use a program, project or sponsor dispute resolution procedure before contacting OCRI. If another procedure is used, it does not affect the 45-day time limit. OCRI may be reached at (202) 606-7503 (voice), (202) 606-3472 (TTY), eo@cns.gov, or through www.nationalservice.gov.

3. Requests for Extensions

Congress has not appropriated funding for SIF since Fiscal Year 2016, and the last SIF awards were made in 2016. CNCS will allow SIF Classic and SIF Pay for Success grant and subgrant activities to continue, however, not past the approved performance periods established in the most recent Notice of Grant Award. Pursuant to 2 C.F.R. 200.308(d)(2)(i), CNCS specifically prohibits SIF Classic and SIF Pay for Success grantees from initiating a one-time extension of the performance periods of their grant awards and will not approve any requests for an extension of the performance period of the SIF Classic and SIF Pay for Success grants.

4. Micro-purchase and Simplified Acquisition Threshold:

Pursuant to the National Defense Authorization Acts for both Fiscal Years 2017 and 2018, effective June 20, 2018 and thereafter, all CNCS grant recipients are authorized to use a micro-purchase threshold of \$10,000 and a simplified acquisition threshold of \$250,000.

5. Final Financial Report

A recipient completing the final year of its award must submit, in lieu of the last semiannual financial report, a final financial report. This report is due no later than 90 days after the end of the award.

6. Program Income

a. General. Income, including any fees for service earned as a direct result of the grant or cooperative agreement-funded program activities during the award period, must be retained by the recipient and used to finance the grant or cooperative agreement's non-CNCS share in accordance with 2 CFR §200.307(e)(3).

b. Excess Program Income. Program income earned in excess of the amount needed to finance the recipient share must be added to funds committed to the project by CNCS and the recipient and used to further expand eligible program activities and objectives in accordance with 2 CFR §200.307(e)(2). This program income must be used for the purposes and under the conditions of this Federal award.

F. AWARD PERIOD AND INCREMENTAL FUNDING

For the purpose of SIF awards, a project period is the complete length of time a recipient is funded to complete approved activities under the award. A project period may contain one or more budget periods. A budget period is a specific interval of time for which Federal funds are provided to fund a recipient's approved activities and budget.

Unless otherwise specified, the recipient's award covers a five-year project period. Continuation funding is contingent upon satisfactory performance as determined by CNCS and the availability of funds. The project period and the budget period are noted on the Notice of Grant Award.
