- b. Entering into subgrants for Social Innovation Fund activities funded by the Cooperative Agreement which had not been previously identified or included in the approved application, budget or plan; and 1 or
- c. Changes in deadlines identified in these Terms and Conditions. Deadlines may be reasonably extended or revised upon mutual agreement of the parties. Programmatic changes also require final approval of CNCS's Office of Grants

Management after written recommendation for approval is received from the Social Innovation Fund Program Office. The Grants Officers will execute written amendments, and Awardees should not assume approvals have been granted unless documentation from the Grants Office has been received. Changes in deadlines require prior approval, but are not considered programmatic changes requiring a grant amendment.

2. Budgetary Changes

The Awardee must obtain the prior written approval of CNCS's Office of Grants Management before amending the approved budget in any of the following ways:

- a. Specific Costs Requiring Prior Approval before Incurrence under OMB Circulars A21 (2 CFR Part 220), A-87 (2 CFR Part 225) or A-122 (2 CFR Part 230). Examples of these costs are overtime pay, rearrangement and alteration costs, and pre-award costs.
- b. Purchases of Equipment over \$5,000 using Cooperative Agreement funds, unless specified in the approved Application and budget.
- c. Changes to cumulative and/or aggregate budget line items that amount to 10 per cent or more of the total budget must be approved in writing in advance by CNCS. The total budget includes both CNCS and Awardee shares. Awardees may transfer funds among approved direct cost categories when the cumulative amount of such transfers does not exceed 10 percent of the total budget.

E. NOTIFICATION OF STAFFING AND MANAGEMENT CHANGES

Within 5 business days, the Awardee must notify CNCS of any change in the staffing of any key position included (in whole or in part) as a cost in the award budget. This requirement applies regardless of whether the position is included in the federal or matching cost portions of the budget. The Awardee must also notify CNCS of any changes in any positions which are not included in the approved budget, but which involve leadership oversight of the activity under this award. The Awardee must also notify CNCS of any change in the senior leadership of the Awardee.

F. MATCHING FUND REQUIREMENTS

As provided in section 198K(i) of the NCSA (42 U.S.C. 12653k(i)), the Awardee must provide at least fifty percent (50%) of the overall cost of carrying out the activities supported under its Cooperative Agreement. In addition, under section 198K(k) of the NCSA (42 U.S.C.12653k(k)), all subgrantees must provide at least fifty percent (50%) of the cost of carrying out the activities supported under their subgrants. In both cases, the matching funds must be provided in cash. References in any of the applicable OMB Cost Principles to providing matching funds in-kind do NOT apply to Social Innovation Fund award or subgrants.

Subgrants are required to meet a dollar for dollar match expenditure every 12 months beginning at the start of their first award period. Failure to meet the match at any of the 12 month increments will result in termination. The subgrant may complete the current cycle but may not receive subsequent funding.

G. REPORTING REQUIREMENTS

For both Programmatic and Financial reports, an Awardee must set its own submission deadlines for its respective subgrantees sufficient to enable the Awardee to report on-time.

1. Awardee Progress Reports

Each Awardee must submit quarterly reports in year 1 only, in the appropriate electronic system summarizing progress on the specific measurable outcomes identified in the Awardee's Application during the quarter. Each Awardee shall also report on other measures established by CNCS in consultation with the Awardee. At the discretion of CNCS deadlines are as follows:

Extensions of deadlines for financial reports may only be granted by the Office of Grants Management, and extensions of deadlines for Progress Reports may only be granted by the Social Innovation Fund Program Office.

4. Final Financial Report

An Awardee completing the final year of its Cooperative Agreement must submit, in lieu of the last semi-annual financial report, a final financial report, this report is due no later than 90 days after the end of the Cooperative Agreement.

H. COOPERATIVE AGREEMENT PERIOD AND INCREMENTAL FUNDING

For the purpose of Social Innovation Fund Cooperative Agreements, a project period is the complete length of time an Awardee is proposed to be funded to complete approved activities under the agreement. A project period may contain one or more budget periods. A budget period is a specific interval of time for which Federal funds are being provided to fund an Awardee's approved activities and budget.

Unless otherwise specified, the Awardee's Cooperative Agreement covers a five-year project period. Additional funding is contingent upon satisfactory performance as determined by CNCS and the availability of funds. The project period and the budget period are noted on the Notice of Grant Award.

I. SITE VISITS

CNCS reserves the right to make site visits to review and evaluate Awardee and sub-awardee records, activities, organizational procedures and financial control systems; to conduct interviews; to request additional information; and to provide technical assistance as necessary.

II. GENERAL PROVISIONS

A. RESPONSIBILITIES FOR COOPERATIVE AGREEMENT ADMINISTRATION

1. Accountability of the Grantee

The Awardee has full fiscal and programmatic responsibility for managing all aspects of the Cooperative Agreement and agreement-supported activities, subject to the oversight of CNCS. The Awardee is accountable to CNCS for its operation of the Social Innovation Fund program and the use of CNCS funds. The Awardee must expend Cooperative Agreement funds in a judicious and reasonable manner, and it must record accurately the activities performed and outcomes achieved under the grant. Although Awardees are encouraged to seek the advice and opinion of CNCS on special problems that may arise, such advice does not diminish the Awardee's responsibility for making sound judgments and does not mean that the responsibility for operational decisions has shifted to CNCS.

- 2. Subawards.** If authorized by CNCS, a grantee may make subawards in accordance with the requirements set forth in 45 CFR Part 2541 or 2 CFR Part 215 and 45 CFR Part 2543. The grantee must have and implement a plan for oversight and monitoring to ensure that each subgrantee and service site has agreed to comply, and is complying, with grant requirements.

3. Notice to CNCS

The Awardee will notify the appropriate CNCS Program or Grants Officer immediately of any developments or delays that have a significant impact on funded activities, any significant problems relating to the administrative or financial aspects of the award, or any suspected misconduct or malfeasance related to the award or Awardee. The Awardee will inform CNCS official about the corrective action taken or contemplated by the Awardee and any assistance needed to resolve the situation.

- 4. Notice to the CNCS's Office of Inspector General.** The grantee must notify the Office of Inspector General immediately of losses of federal funds or goods/services supported with federal funds, or when information discovered by someone at a program indicates that there has been waste, fraud or abuse, or any violation of criminal law in connection with the grant.

B. FINANCIAL MANAGEMENT STANDARDS

1. General

The Awardee must maintain financial management systems that include standard accounting practices, sufficient internal controls, a clear audit trail, and written cost allocation procedures, as necessary. The Awardee's financial management systems must be capable of distinguishing expenditures attributable to this award from expenditures not attributable to this award. The systems must be able to identify costs by programmatic year and by budget category and to differentiate between direct and indirect costs or administrative costs. For further details about the Awardee's financial management responsibilities, refer to OMB Circular A-102 and its implementing regulations (45 CFR Part 2541) or A-110 (2 CFR Part 215) and its implementing regulations (45 CFR Part 2543), as other applicable OMB regulations.

2. Consistency of Treatment

To be allowable under an award, costs must be consistent with policies and procedures that apply uniformly to both federally financed and other activities of the Awardee. Furthermore, the costs must be accorded consistent treatment in both federally financed and other activities, as well as between activities, supported by different sources of funds.

3. Audits

Organizations that expend \$500,000 or more in a year in total Federal awards (grants or cooperative agreements) shall have a single or program-specific audit conducted for that year in accordance with the Single Audit Act, as amended, 31 U.S.C. 7501, et seq., and OMB Circular A-133. If the Awardee expends federal awards under only one federal program, it may elect to have a program specific audit, if it is otherwise eligible. A grantee that does not expend \$500,000 in federal awards is exempt from the single audit requirements of OMB Circular A-133 for that year. However, it must continue to conduct financial management reviews of its subgrantees, and records must be available for review and audit. The recipient of a Federal grant (pass-through entity) is required in accordance with paragraph 400(d) of OMB Circular A-133, to do the following with regard to its subrecipients: (1) identify the Federal award and funding source; (2) advise sub-recipients of all requirements imposed on them; (3) monitor subrecipient activities and compliance; (4) ensure subrecipients have A-133 audits when required; (5) issue decisions and ensure follow-up on audit findings in a timely manner; (6) where necessary, adjust its own records and financial statements based on audits; and (7) require subrecipients to permit access by the pass-through entity and auditors to records and financial statements, as necessary, for the pass-through entity to comply with A133.

4. Indirect Cost Rates

Reimbursement for indirect costs, general and administrative costs, overhead, or any similar cost rate type agreement, will be at the rate(s) and on the base(s) specified in the

approved award budget. These amounts are subject to finalization by the cognizant federal agency or CNCS. Any provisional rate(s) is subject to downward adjustment only under this award. Accordingly, final approved rate(s) charged to this award may not exceed the maximum provisional rate(s). If the cognizant federal agency or CNCS does not approve a final rate, then the maximum provisional rate will be considered the final rate.

5. Payments Under The Cooperative Agreement

- a. **Advance Payments.** The Awardee may receive advance payments of Agreement funds provided the Awardee meets the financial management standards specified in OMB Circular A-102 and its implementing regulations (45 CFR Part 2541) or A110 and its implementing regulations (45 CFR Part 2543), as applicable.
- b. **Immediate Cash Flow Needs.** The amount of advance payments requested by the Awardee must be based on actual and immediate cash needs in order to minimize federal cash on hand, in accordance with policies established by the U.S. Department of the Treasury in 31 CFR Part 205.
- c. **Discontinuing Advance Payments.** If an Awardee does not establish procedures to minimize the time elapsing between the receipt of the cash advance and its disbursement, CNCS may, after providing due notice to the Awardee, discontinue the advance payment method and allow payments by reimbursement, or in advance only by individual request and approval.
- d. **Interest-Bearing Accounts.** The Awardee must deposit advance funds received from CNCS in federally-insured, interest bearing accounts. The exceptions to this requirement are:
 - i. **Institutions of Higher Education and Other Non-Profit Organizations.** If an Awardee is covered by 45 CFR Part 2543 it must maintain advance funds in interest-bearing accounts unless:
 - (a) It receives less than \$120,000 in federal funds per year;
 - (b) The best reasonably available account would not be expected to earn interest in excess of \$250 per year on federal cash balances; or
 - (c) The required minimum balance is so high that it would not be feasible within expected federal and non-federal cash resources. Earned interest must be remitted annually to HHS-PMS, Rockville, MD 20852. Awardees may keep up to \$250 of interest per year to offset administrative expenses.
 - ii. **State and Local Governments.** All Awardees and sub-awardees covered by 45 CFR Part 2541, with the exception of State Governments and Indian Tribes, must remit earned interest quarterly to CNCS. Awardees may keep up to \$100 of the earned interest per year to offset administrative expenses.

6. Program Income

- a. **General.** Income, including any fees for service earned as a direct result of the Cooperative Agreement-funded program activities during the award period, must be retained by the Awardee and used to finance the Cooperative Agreement's non-CNCS share.
- b. **Excess Program Income.** Program income earned in excess of the amount needed to finance the Awardee share must be added to funds committed to the project by CNCS and the Awardee and used to further expand eligible program activities and objectives.

F. SUSPENSION OR TERMINATION OF GRANT

Regulations related to CNCS's authority to suspend or terminate this award are contained in 45 CFR § 2540.400. In addition, an Awardee may suspend or terminate assistance to one of its subgrantees, provided that such action affords the subgrantee, at a minimum, the notice and hearing rights described in 45 CFR § 2540.400.

G. THE OFFICE OF INSPECTOR GENERAL

CNCS's Office of Inspector General (OIG) conducts and supervises independent and objective audits, evaluations, and investigations of CNCS programs and operations. Based on the results of these audits, reviews, and investigations, the OIG recommends policies to promote economy and efficiency and to prevent and detect fraud, waste, and abuse in CNCS's programs and operations.

The OIG conducts and supervises audits of CNCS grantees, as well as legislatively mandated audits and reviews. The legislatively mandated audits include the annual financial statement audit, and fulfilling the requirements of the Government Information Security Reform Act and its successor, the Federal Information Security Management Act. A risk-based approach, along with input received from CNCS management, is used to select grantees and grants for audit. The OIG hires audit firms to conduct some of its audits. The OIG audit staff is available to discuss its audit function, and can be reached at (202) 606-9390.

The OIG is available to offer assistance to CNCS grantees that become aware of suspected criminal activity in connection with CNCS's programs. Awardees should immediately contact OIG when they first suspect that a criminal violation has occurred. The OIG investigative staff is available to provide guidance and ensure that the appropriate law enforcement agency is notified, if required. The OIG may be reached by email at hotline@cncsoig.gov or by telephone at (800) 452-8210.

5. ATTACHMENTS

- 1.** Grant Program Civil Rights and Non-Harassment Policy

Grant Program Civil Rights and Non-Harassment Policy

The Corporation for National and Community Service (CNCS) has zero tolerance for the harassment of any individual or group of individuals for any reason. CNCS is committed to treating all persons with dignity and respect. CNCS prohibits all forms of discrimination based upon race, color, national origin, gender, age, religion, sexual orientation, disability, gender identity or expression, political affiliation, marital or parental status, or military service. All programs administered by, or receiving Federal financial assistance from CNCS, must be free from all forms of harassment. Whether in CNCS offices or campuses, in other service-related settings such as training sessions or service sites, or at service-related social events, such harassment is unacceptable. Any such harassment, if found, will result in immediate corrective action, up to and including removal or termination of any CNCS employee or volunteer. Recipients of Federal financial assistance, be they individuals, organizations, programs and/ or projects are also subject to this zero tolerance policy. Where a violation is found, and subject to regulatory procedures, appropriate corrective action will be taken, up to and including termination of Federal financial assistance from all Federal sources.

Slurs and other verbal or physical conduct relating to an individual's gender, race, ethnicity, religion, sexual orientation or any other basis constitute harassment when it has the purpose or effect of interfering with service performance or creating an intimidating, hostile, or offensive service environment. Harassment includes, but is not limited to: explicit or implicit demands for sexual favors; pressure for dates; deliberate touching, leaning over, or cornering; offensive teasing, jokes, remarks, or questions; letters, phone calls, or distribution or display of offensive materials; offensive looks or gestures; gender, racial, ethnic, or religious baiting; physical assaults or other threatening behavior; or demeaning, debasing or abusive comments or actions that intimidate.

CNCS does not tolerate harassment by anyone including persons of the same or different races, sexes, religions, or ethnic origins; or from a CNCS employee or supervisor; a project, or site employee or supervisor; a non-employee (e.g., client); a co-worker or service member.

I expect supervisors and managers of CNCS programs and projects, when made aware of alleged harassment by employees, service participants, or other individuals, to immediately take swift and appropriate action. CNCS will not tolerate retaliation against a person who raises harassment concerns in good faith. Any CNCS employee who violates this policy will be subject to discipline, up to and including termination, and any grantee that permits harassment in violation of this policy will be subject to a finding of non-compliance and administrative procedures that may result in termination of Federal financial assistance from CNCS and all other Federal agencies.

Any person who believes that he or she has been discriminated against in violation of civil rights laws, regulations, or this policy, or in retaliation for opposition to discrimination or participation in discrimination complaint proceedings (e.g., as a complainant or witness) in any CNCS program or project, may raise his or her concerns with our Office of Civil Rights and Inclusiveness (OCRI). Discrimination claims not brought to the attention of OCRI within 45 days of their occurrence may not be accepted in a formal complaint of discrimination. No one can be required to use a program, project or sponsor dispute resolution procedure before contacting OCRI. If another procedure is used, it does not affect the 45-day time limit. OCRI may be reached at (202) 606-7503 (voice), (202) 6063472 (TTY), eo@cns.gov, or through www.nationalservice.gov.

- If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the applicant will submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions;

Notice of error in certification or assurance

You must provide immediate written notice to us if at any time you learn that a certification or assurance was erroneous when submitted or has become erroneous because of changed circumstances.
