Clarified that State Taxes should not be withheld from any payments. Changed the due date of the final FFR from 90 days to 120 days.

II. NOTICE OF FUNDING OPPORTUNITY

The Notice of Funding Opportunity (NOFO) and any amendments are hereby incorporated into this agreement. Recipients are bound by the authorizations, restrictions and requirements contained in the NOFO. If there are any inconsistencies between the NOFO and any statute, regulation, guidance or cost principle, the statute, regulation, guidance or cost principle take precedence over matters set forth in the NOFO.
III. AWARD ACCEPTANCE
The signature on the SF-424, including electronic signature via e-authentication on eGrants, constitutes a binding offer and constitutes agreement to the terms and conditions of award. CNCS reserves the right to withdraw the award if activity does not begin upon award and/or as a remedy for non-compliance as described in 2 CFR 200.338-339.

IV. AWARD PERIOD
Unless otherwise specified, the award covers a one-year project period. In approving a multi-year project period, CNCS generally makes an initial award for the first year of operation. Additional funding for subsequent budget periods is contingent upon satisfactory performance, a recipient’s demonstrated capacity to manage an award and comply with award requirements, and the availability of Congressional appropriations. CNCS reserves the right to adjust the amount of an award, or elect not to continue funding for subsequent years. The project period and the budget are noted on the award document.

V. ENCUMBRANCE OF AWARD FUNDS
Award funds may not be encumbered or obligated by the recipient prior to or after the award period. Encumbrances or obligations outstanding as of the end of the award period may be liquidated (paid out) after the end of the award period. Such encumbrances or obligations shall involve only specified commitments for which a need existed during the award period and that are supported by approved contracts, purchase orders, requisitions, invoices, bills, or other evidence of liability consistent with the recipient's purchasing procedures and incurred within the award period. All encumbrances/obligations incurred during the award period shall be liquidated no later than 90 days after the end of the award period or prior to the expiration of the awarded funds, whichever is sooner.

VI. REPORTING REQUIREMENTS
The recipient is responsible for timely submission of periodic financial and progress, and member, reports during the project period and a final financial report.

Federal Financial Reports (CNCS). The recipient shall complete and submit financial reports in eGrants (Financial Status Reports on menu tree) to report the status of all funds. The recipient must submit timely cumulative financial reports semi-annually, twice yearly in six month increments from the budget period start date of the grant.
