## I. **Changes from the 2015 September 11<sup>th</sup> Day of Remembrance and Service Grant Provisions**

This year, 2016, is the first year that September 11<sup>th</sup> Day of Remembrance and Service Grants are subject to both general terms and conditions and September 11<sup>th</sup> Day of Remembrance specific terms and conditions. Since this is the first time program-specific terms and conditions have been published there are no changes in comparison to prior year program specific terms and conditions. We reiterate the importance of reviewing all award terms and conditions, because recipients are responsible for knowing, understanding, and complying with all award general and specific terms and conditions.

## II. **DEFINITIONS**

- A. **Recipient** means the direct recipient of this award. The recipient is legally accountable to CNCS for the use of award funds and is bound by the provisions of the award. The recipient is responsible for ensuring that subrecipients or other organizations carrying out activities under this award comply with all applicable Federal requirements, including the CNCS General Terms and Conditions, these specific terms and conditions, and regulations applicable to the program, and the NCSA.
- B. **Subrecipient** refers to an organization receiving CNCS grant funds from a recipient of CNCS funds. See 2 CFR § 200.93.
- C. **Program** refers to the activities supported under the award.
- D. **NCSA** means the National and Community Service Act of 1990, as amended. See 42 U.S.C. §§ 12501 et. seq.

## III. **BUDGET AND PROGRAMMATIC CHANGES**

- A. **Programmatic Changes.** The recipient must first obtain the prior written approval of the Program Office before making any of the following changes:
  - 1. Changes in the scope, objectives or goals of the program, whether or not they involve budgetary changes.
  - 2. Entering into subawards or contracts for activities funded by the award, but not identified or included in the approved application and/or award.
- B. **Budgetary Changes.** The recipient must obtain the prior written approval of CNCS's Office of Grants Management before deviating from the approved budget in any of the following ways:

Specific Costs Requiring Prior Approval before Incurrence under the uniform administrative requirement, cost principles, and audit requirements for Federal awards at 2 CFR Parts 200 and 2205.

  - 1. Certain cost items in 2 CFR Parts 200 and 2205 require approval of the awarding agency for the cost to be allowable. Examples of these costs are overtime pay, rearrangement and alteration costs, and pre-award costs.

2. Purchases of Equipment over \$5,000 unless specified in the approved application and budget.
  3. Unless the CNCS share of the award is \$50,000 or less, changes to cumulative and/or aggregate budget line items that amount to 10 percent or more of the total budget must be approved in writing in advance by CNCS. The total budget includes both the CNCS and recipient shares. Recipients may transfer funds among approved direct cost categories when the cumulative amount of such transfers does not exceed 10 percent of the total budget.
- C. **Approvals of Programmatic and Budget Changes.** CNCS’s Grants Officers are the only officials who have the authority to alter or change the terms and conditions or requirements of the award. Grants Officers will execute written amendments, and recipients should not assume approvals have been granted unless documentation from the Grants Office has been received. Programmatic changes also require final approval of CNCS’s Office of Grants Management after written recommendation for approval is received from the Program Office.
